Schedule will be published TUESDAY SEPT 8th & I will email the captains once published

Three (3) positions – 4.0/3.5/3.0 - If two (2) scheduled teams have 4.5 players then a 4th position can be played by being arranged by the 2 captains in advance. Players can play UP a level but never down.

System will be set up to score four (4) positions. If you do NOT play four (4) positions, enter DOUBLE DEFAULT in position #1.

Format - Best 2 out of 3 sets will be played with a SUPER TIE-BREAK (10 point / first team to 10 points winning by 2 points) in lieu of a full 3rd set played

Rain – If play has started on an individual court/position, those four (4) players are locked into finishing the match by Friday Dec 18th. If play has not started, each team may present any two (2) eligible players for the position(s) when the captains agree on another date/time to play the position(s). ALL scheduled matches should be completed and results entered in the system by 5:00pm Wednesday Dec 23rd.

Players – Any question as to what a player's rating should be, contact me. Captains should have a good idea if someone is a 4.5, 4.0, 3.5, 3.0 without using USTA ratings so if there is a doubt, contact me & we will talk it out.

\$50 per TEAM collected by captain and sent to me – JABAAR LLC . PO Box 518 . Palm City, FL 34991
Suggestion – minimum three (3) players of each level making a nine (9) person team (4.0/3.5/3.0)

Adding more players to your roster after 8/28 – just contact me. We want to make sure you have enough players in case a scheduled player isn't feeling well. We don't want anyone who is not feeling well to show up at the courts!!!!

This 4.0/3.5/3.0 arrangement will let you involve players from your club that you normally might not get to team up. Remember 4.5's can partake as well if your scheduled opponent has 4.5 players who want to play. Just know that every opponent may not have 4.5 players.

This organized play is NOT about winning. This is about playing tennis and really just counting your lucky stars that you are able to do this with everything that's going on in our world today.
